

# Veterinary Technician Position

Intern and Graduate Students Welcome

Animal Hospital of Rowlett is looking for Veterinary Technicians to join our Nursing Team.

If you are a person who is self-motivated with a strong work ethic, able to multi-task in a single bound and have great people skills, consider coming in for a tour and meeting with our management team. We are seeking team members who genuinely enjoy working with animals and are able to care for them even when they are ill and in pain. Compassionate care of our clients is also essential during those stressful times.

Responsibilities will include such skills as:

- Assisting doctors in medical, surgical and dental procedures
- Monitoring patients during surgery and recovery
- Administering vaccines and medications
- Obtaining diagnostic radiographs
- Placing intravenous catheters and obtaining samples for laboratory evaluation
- Maintaining clean exam rooms, treatment areas and patient housing
- Safe and effective patient restraint
- Recording observations and history on patients in medical records
- Properly operating, cleaning and maintaining equipment

If you feel you "fit the bill", please free to drop by and fill out an application packet. Dress professionally, as we will try to visit with you at that time.

## Our Mission

*"This hospital is dedicated to our patients, whose loving, loyal and engaging personalities enrich our lives, fill our hearts and constantly inspire us to provide the best veterinary medical care possible."*
